## **INTRODUCTION.**

Missions is an annual program organized by The Apostolic Church-Ghana, Zoe Worship Centre (AZWC), dedicated to serving rural communities through outreach initiatives. This year marks a significant milestone the 10th anniversary of Missions organized by AZWC. Over the years, the program has grown in scope and impact, and we are grateful for the opportunity to serve.

This year's Missions event was held in partnership with the Tirzah Oasis Foundation, marking their third consecutive collaboration. Together, we focused on constructing a temporary shelter for a newly established church, providing a sacred space for worship and community. The theme for this year's Missions was "BELIEVE IN THE LORD JESUS" (Acts 16:31).

The 2025 Missions program took place from August 10th to 18th, and by God's grace, we were able to organize the event in two different communities simultaneously: Nsawir (Ayensudu) and Kyiase (Komenda), both located in the Central Region of Ghana.

To mark the 10th anniversary of Missions, a special ceremony was held on June 29th to officially commemorate this milestone. The ceremony was a beautiful occasion, graced by esteemed dignitaries, including Apostle Alex Boateng, General Secretary of The Apostolic Church Ghana, and Pastor Maxwell Adade, District Pastor of the Galilea District. This celebration set the tone for a momentous year of missionary work and outreach.

Deacon Ernest led the group in prayer, and the chairman for Missions 2025 delivered closing remarks and led a final prayer session. The meeting concluded at 11:20 AM.

As the ceremony ended, the transportation team arrived with a truck and three Sprinter buses to convey the missionaries to Accra. A total of 63 missionaries departed Kyiase, marking the end of Missions 2025. We give glory to God for a successful missionary work in Nsadwir and Kyiase.

## **CHALLENGES ENCOUNTERED IN NSADWIR AND KYIASE.**

1. Financial Constraints leading to impromptu changes in plans on mission grounds.
2. Disappointments by the local church in Nsadwir and kyiasse regarding agreed arrangements.
3. Demand vs Supply ratio of Missions T-shirts due to late publicity and printing of t-shirts.
4. Difficulty mapping the town adequately for efficient house-to-house evangelism.
5. Technical glitches with the use of Kobo Collect for data collection.
6. Difficulty retaining all souls won in the new assembly.
7. Attitudinal challenges with some defaulting missionaries
8. Language barrier among the indigenes
9. Lateness to crusade largely because of the time they return from the farm for supper.
10. A significant number of souls won were workers who lived far away in other towns.

## **RECOMMENDATIONS/WAY FORWARD.**

- 1.Expanding the scope of securing sponsorships and ensuring that the process for soliciting goes early.
- 2.Thorough check and consistent engagements with officers in the neighbouring local assemblies and district to avoid disappointments.
- 3.Allowing missionaries to place orders for t-shirts during the period of registration. A deposit of half the cost validates the order.
- 4.Partnering with neighboring churches (not necessarily Apostolic churches) to ensure that all souls are retained and handed over to a shepherd.
- 5.Securing more technical gadgets to ensure constant power supply and good sound system.
- 6.Ensuring that the budget for food items is not compromised.
- 7.Ensuring firmness by Camp commandants and introducing disciplinary actions

## CONCLUSION.

In conclusion we want to thank God Almighty for His grace, mercies and opportunity given us as a church to be involved in the salvation of lost souls. We appreciate the effort of District Pastor, leaders, Tirzah Oasis Foundation, Dannex Ayrton Starwin PLC, Sunda International, Local Assembly members and everyone who directly or indirectly involved him or herself in support of this year's Missions, either through participation, prayers and presents. May the Lord look down on your gift and bless you immensely, Thank you.

Shalom.
