1.0 EXECUTIVE SUMMARY

Missions 2025, marking the 10th anniversary of The Apostolic Church-Ghana, Zoe Worship Centre's (AZWC) outreach initiatives, was executed successfully from Sunday, 10th to Monday 18th August 2025. In a historic move, the mission was conducted simultaneously in two communities, Nsadwir (Ayensudu) and Kyiase (Komenda) both in the Central Region of Ghana. This year's Missions was powered by the continued strategic partnership with Tirzah Oasis Foundation, now in its third consecutive year.

Missions 2025, under the theme "**BELIEVE IN THE LORD JESUS**" (*Acts 16:31*), achieved its core objectives: significant soul winning, community impact through medical outreach, and the establishment of two (2) new Local Assemblies. Despite some logistical and financial challenges, the dedication of seventy-nine (79) missionaries resulted in profound spiritual and social impact, demonstrating effective collaboration and operational excellence.

2.0 KEY HIGHLIGHTS & ACHIEVEMENTS

2.1 SOULS WON

A total of **Five Hundred and Two (502)** souls were recorded across both locations through various evangelism methods.

- New Converts: **Three Hundred and Sixty-Two (362)** individuals accepted Christ as their personal Lord and Savior.
- Rededications: **One Hundred and Forty (140)** individuals recommitted their lives to Christ.
- Water Baptism: A total of **Forty (40)** new believers were baptized, **Twenty- Four (24)** in Nsadwir, and **Sixteen (16)** in Kyiase.
- Holy Spirit Baptism: **Twenty-Five (25)** individuals received the baptism of the Holy Spirit during prayers on Sunday.
- Medical Outreach: **Four Hundred (400)** community members received free medical screenings, consultations, medication, and health education, **Two Hundred and Thirty-Eight (238)** in Kyiase, and **One Hundred and Sixty-Two (162)** in Nsadwir.
- Church Establishment: Two (2) New Local Assemblies were successfully established to the glory of God, one (1) in each location. Each Local received a **Plot of Land, Fifty (50) Plastic Chairs and P.A System. Fifty-One (51)** souls attended Church service on Sunday, **Twenty-Seven (27)** in Kyiase, and **Twenty- Four (24)** in Nsadwir.
- 10th Anniversary Celebration: A special commemorative ceremony was held on June 29th, graced by Apostle Alex Boateng (The Apostolic Church-Ghana, General Secretary) and Pastor Maxwell Adade (Galilea District Pastor).

3.0 MISSION SCOPE & OPERATIONAL OVERVIEW

3.1 LOCATIONS

Nsadwir (Ayensudo) had thirty-six (36) Missionaries, with Elder Desmond Buxton as the Lead.

Kyiase (Komenda) also had forty-three (43) Missionaries, with Deacon Isaac Kobby Asampana as the Lead.

3.2 PRE-MISSION PREPARATIONS

Months of meticulous planning underpinned this year's Missions success. Key activities included:

3.2.1 COMMITTEE STRUCTURE

Fifteen (15) sub-committees including Evangelism, Finance, Health, Prayer, Music, Transport, Technical, Children Ministry, Media & Publicity, Security, Sanitation, Camp Commandants, Secretariat, Food and Coordinator ensured specialized focus and accountability.

3.2.2 COMMUNITY SURVEY

Multiple reconnaissance visits (April 26th, July 16th, and August 3rd) to both communities to engage local church leaders and secure logistics (grounds, accommodation).

3.2.3 RESOURCE MOBILIZATION

Successful acquisition of sponsorships.

The generous financial support from **Tirzah Oasis Foundation** was instrumental to the success of Missions 2025. Their contribution provided the essential fuel that powered our outreach, enabling us to mobilize resources, transport missionaries, and implement programs that brought tangible help and hope to communities.

Medical Supplies from **Dannex Ayrton Starwin Plc**, the essential medical supplies provided were the fuel of our medical outreach. These supplies allowed our teams to treat common ailments, address minor injuries, and provide crucial preventative care in both Nsadwir and Kyiase.

The donation of personal care items from **Sunda International Ghana** provided critical support for women and girls. Items like sanitary towels and soap, though essential for health, education, and dignity, are often inaccessible. This provision allowed them to live with confidence and participate fully in daily life.

The Bibles provided by **Training To Send** are the cornerstone of our mission. They are planted as seeds of faith in new believers' lives. These Bibles will serve as a lasting source of truth, comfort, and guidance, enabling discipleship and spiritual growth.

Large bales of clothing were donated by **The Apostolic Church-Ghana, HQ and Galilea District and Locals** were also essential as we donated them after people received their medical care, provided essential warmth and protection to those in need. More than just clothing, these gifts demonstrated genuine care and community support.

4.0 DETAILED ACTIVITY & IMPACT ANALYSIS

4.1 EVANGELISM & CRUSADES

Soul winning was accomplished through a multi-faceted strategy. This included Dawn Broadcasting, which involved early morning evangelism in the communities; House-to-House Visitation for direct engagement with people; and Crusades, which were nightly events featuring powerful worship, sermons, and altar calls. The total attendance for all crusades was recorded.

4.2 MEDICAL OUTREACH

The health screening was a major community impact event, addressing immediate physical needs and building immense goodwill, facilitating deeper spiritual conversations.

4.3 CLOTHES SHARING

There was distribution of clothing to individuals and families in need, addressing a fundamental need among many people.

4.4 DISCIPLESHIP & CHURCH FORMATION

Two (2) new Local Assemblies were established to the glory of God.

New converts who made decisions to join the Local Churches were gathered for Sunday Church Service, recording an attendance of Fifty-One (51) persons - **Twenty-Seven (27)** in Kyiase, and **Twenty-Four (24)** in Nsadwir.

Forty (40) were baptised in water, **Sixteen (16)** at Kyiase and **Twenty-Four (24)** at Nsadwir. attended Church service on Sunday.

Two (2) plots of **Land** was bought for Nsadwir and **One (1)** plot of **Land** for Kyiase.

Each Local received **Fifty (50) Plastic Chairs** and **P.A System**.

4.5 TESTIMONIES & HEALING:

Missions 2025 manifested tangible miracles. Which are listed below:

- A woman who had been experiencing bodily pains for some time testified that after the prayers, all the pains disappeared completely, and she felt relief and strength in her body.

- A woman who had been struggling with severe chest pain felt the pain vanished after the prayers and was able to breathe freely without discomfort.
- A woman who had been suffering from a knee problem that made it difficult for her to walk testified that after the prayers her knee was restored, and she could now move without pain.
- A woman who had been enduring unbearable back pain which had made even her daily activities difficult received healing instantly and testified of being completely free from pain.
- A young lady who came forward with both headache and fever testified that right after the prayers, both the headache and fever left her body, and she felt totally restored.
- A man who had been suffering from severe body pains and had his leg swollen to the point that he could not walk properly testified that immediately after receiving prayers, the pains left, and he was able to walk with strength.
- A man who could not walk without the help of a staff, was healed of weakness in his bones. He walked and danced to the glory of God, dropped his staff and continued walking in the premises.
- A lady with severe neck pain was instantly healed.
- A woman with pains in her legs was also healed and she danced to the glory of God. This was something she couldn't do before.
- A lady with stomach pains was healed instantly.

5.0 FINANCIAL & RESOURCE MANAGEMENT

The mission operated on a carefully planned budget managed by the Chairman and Finance Committee. The support from institutional and individual sponsors was critical to its success. Finance report attached in appendix.

6.0 CHALLENGES ENCOUNTERED

The mission team successfully navigated several obstacles:

1. Non adherence to time of departure by missionaries due to the distance and proximity to the converging point.
2. The lack of sincere involvement and proper participation of the resident church leaders in the areas for the missions.
3. The unavailability and unpreparedness of leaders to manage the new churches being built or established.
4. The gap in funding and sponsorship.
5. The lack of required necessity and proper training in the area of evangelism.

7.0 RECOMMENDATIONS FOR FUTURE MISSIONS

1. Implement a mandatory discipleship and mentorship program with seasoned missionaries to cultivate inner conviction and focus before deployment.
2. Involve resident church leaders from the onset in the mission's planning and strategy sessions to foster ownership and commitment.
3. Identify and begin training potential leaders from the community before the new church is officially established.
4. Appoint a dedicated sponsorship coordinator with the sole responsibility of tracking deadlines and ensuring all application letters are submitted well in advance.
5. Integrate practical, hands-on evangelism workshops (including role-playing) into the core preparation curriculum for all participants.

8.0 CONCLUSION

Missions 2025 was a resounding success, faithfully executing its purpose to win souls, establish a church, and impact communities. The simultaneous operation in two locations demonstrated AZWC's growing operational capacity and maturity. The partnership with Tirzah Oasis Foundation proved to be a force multiplier, particularly in the medical field and church establishment.

We appreciate the effort and support of The Apostolic Church-Ghana, General Headquarters, Tirzah Oasis Foundation, Dannex Ayrton Starwin PLC, Sunda International, Training To Send, Pastor Joseph Mensah (Kyiase), Pastor Samuel Boakye Yiadom (Nsadwir), the Galilea District Presbytery, and everyone who was directly or indirectly involved in supporting this year's Missions through their participation, prayers, and presents. May the Lord look upon your gifts and bless you.

The commitment of the 79 missionaries, the strategic leadership of the committees, and the generous support of our sponsors culminated in a transformative week that has eternally impacted the communities of Nsadwir and Kyiase and advanced the Kingdom of God.

In conclusion, we want thank God Almighty for His grace and opportunity given us as a church to be involved in the salvation of lost souls.

Thank you. Shalom
